Dear NERPG Members:

The New England Rubber Group is pleased to announce it will extend the application deadline for the 2020 Lottery NERPG Scholarship. The awards will be announced at the New England Rubber and Plastics Group Fall Technical Session happening November 2020. (Please note the following):

- A student may be nominated only one time (even by multiple members) for one scholarship each year.
- Members may nominate only one student for each scholarship
- Students previously awarded a scholarship are eligible to apply for a second year.
- Only Members of the NERPG with **Active Dues for the last two (2) years may sponsor a student**. Dues **MUST** be paid prior to the application. Applications will be rejected if the dues have not been paid. **Unlike prior years, there will be no notification sent about payment of dues. This will be strictly enforced.**

The NERPG can award up to two \$1500 scholarships based on above parameters to determine eligibility.
