

THE NEW ENGLAND RUBBER & PLASTIC GROUP, INC.
22 JOSEPH E. WARNER BLVD.
NORTH DIGHTON, MA 02764

Dear NERPG Members:

The New England Rubber Group is pleased to announce it will offer scholarships for 2023, the John P. Davis, Jr. Scholarship and the New England Rubber and Plastics Group Scholarship. The awards will be announced at the New England Rubber and Plastics Group Summer Golf Outing Scheduled AUG 1st 2023. (Please note the following):

- A student may be nominated only one time (even by multiple members) for one scholarship each year.
- Members may nominate only one student for each scholarship
- Students previously awarded a scholarship are eligible to apply for a second year.
- Only Members of the NERPG with **Active Dues for the last two (2) years may sponsor a student**. Dues MUST be paid prior to the application. Applications will be rejected if the dues have not been paid. **Unlike prior years, there will be no notification sent about payment of dues. This will be strictly enforced.**

John P. Davis, Jr. Memorial Scholarship

The John P. Davis Scholarship is reserved for undergraduate students in Science or Engineering majors attending an accredited 4-year college as a full-time student. Up to two \$1500 scholarships will be awarded for worthy applicants. The application must be submitted with supporting documentation for eligibility. Members may sponsor only one student per year for this scholarship, however, students previously awarded a scholarship are eligible to apply for a second year.

The candidates will be selected for scholarship based on grades, SAT/ACT scores, essay, other activities, and field of study, with relevance to the rubber industry. The selection of the candidate will be made by the Scholarship Committee and ratified by the Board of Directors. Candidates that do not win this scholarship will automatically be entered in the New England Rubber and Plastics Group Scholarship.

New England Rubber and Plastics Group Scholarship

This scholarship will be awarded to undergraduate students of any major in the amount of \$1500. The winner will be awarded on a lottery basis to students attending an accredited university on a full-time basis. Members may sponsor only one student per year for this scholarship, however, students previously awarded a scholarship are eligible to apply for a second year.

If you wish to nominate a student, please submit only one of the enclosed applications per student (note the Davis requires more supporting information) via email(preferred) or mail it to the Education Chairman so as to be received by **Friday July 21st 2023**. If you have any questions, you may contact me at Joey_Mead@uml.edu. We look forward to your applications!

Sincerely,
The NERPG Board

John P. Davis, Jr. Memorial Scholarship

In addition to the application, please include the following

- A transcript (does not need to be an official transcript but must show grades for all years attended). High School students applying as Freshman must send their current high school transcript and an acceptance letter from the University or College. Two-year colleges are permissible.
- A resume
- A written essay on the following two questions:
 1. How does rubber impact your life?
 2. How will this scholarship affect your future and/or what does this scholarship mean to you?

The written statement should not exceed 1 page for each question.

Please email your application to: Joey_Mead@uml.edu

Or you may send your application materials to:

Joey Mead, Education Chair

875 West Street

Carlisle, MA 01741

If you send, please consider the time to ensure materials arrive by July 4!

Checklist:

- Application form
- Transcript
- Written essay on two questions
- Resume
